

Miles NILS

Murilla Community Centre Miles
Available Monday to Thursday

Miles NILS is a wonderful program servicing Miles & the *surrounding area* that provides **INTEREST FREE** loans for **individuals or families on low income**. NILS is a community-based program that enables people to access fair, safe and equitable credit for the purchase of goods and services.

NILS is generally for the purchase of **essential household items** like; a fridge, washing machine, freezer, TV, lounge suite, bed or dryer. NILS may also be used to meet other essential needs like **health aids, car repairs or education costs**.

Our NILS officer can assist you in determining whether you are eligible for a loan. The NILS officer can also help you **search for quotes** and assist with arranging **delivery of goods** where required.

The NILS program is a great example of **circular community credit**. When a borrower makes a repayment on their NILS loan, funds are then available as a loan for someone else in the community.
